DAY #1: Our journey begins traveling southwest following along much of the old Route 66 into Oklahoma! Our dinner and overnight will be in Oklahoma City.

DAY #2: Today along our western journey we will enjoy several attractions on our way to Amarillo, Texas. A morning stop at the Oklahoma Route 66 Museum in Clinton is fun and a great presentation of the history, myths, signs, photos and music of the "Mother Road", plus a diner replica. After we traverse the border into the 'Lone Star State', our next stop will be at The Groom Cross, rising 19 stories up from the panhandle plains. Built in 1995 by a non-profit ministry to serve people from all walks of life and create an environment that is filled with peace, compassion, and spiritual direction. The visitors center and park also feature a garden of Biblical bronze statues and include a museum, chapel and gift shop. Whoa - slow that horse-powered motorcoach down for our next attraction in the cowboy town of Amarillo... the American Quarter Horse Hall of Fame and Museum! This beautiful museum connects people to the present-day, legacy and preservation of the American Quarter Horse. Appreciate the amazing interactive displays, statues, collections and exhibits of the world's most popular breed of horse. This evening we will check into our accommodations for the next two nights in Amarillo!

DAY #3: This morning will lead us to an adventurous day into Palo Duro Canyon! At 120 miles long, 20 miles wide and up to 800 feet deep, it's estimated that the canyon was created a million years ago from the erosion due to the Red River. Humans have lived in the canyon for approximately 12,000 years, the first being the Clovis and Folsom peoples. Later, Native American tribes resided in the canyon, such as the Apache, Comanche and Kiowa tribes. In recent history, the area was used for ranching until the state park was created and opened in 1934. Our guided tour will offer an unforgettable old west adventure with fascinating western history, real Texas hospitality, and the mysterious enchantment of the breathtaking Palo Duro Canyon. Our evening will be just as amazing and entertaining! We will relish in a fun and tasty Texas cowboy chuckwagon for dinner. Afterwards, get ready to be entertained under the big sky of Texas as we take our reserved seats for the "TEXAS Outdoor Musical"! Performed in the stunning Pioneer Amphitheater in Palo Duro Canyon. Celebrating the 57th season, this production is as grand and spectacular as the canyon itself and celebrates the courageous men and women who settled this rugged frontier. Song and dance abound - and a generous helping of good ol' Texas humor too - with spellbinding lighting, and water/fire special effects!

DAY #4: After breakfast and checking out of our hotel, we will explore the Kwahadi Museum of the American Indian. This heritage museum is filled with exhibits honoring the history and traditions of Native American culture & arts. After lunch, we will hook up the horse(power) and head back east for our overnight near Stroud, OK.

DAY #5: Today, we will have a chance to reminisce about our tour and enjoy the company of friends onboard before returning home this afternoon.
